TO: Clerk of Court for Honorable Judge Cindy Jorgenson
 RE: Follow up information for witness
 Case #'s CR 03-1324-TUC-CKJ
 CR 04-688-TUC-CKJ ✓

Response: I have confirmed that Mrs. ~~Christina~~ Levenstein will be available on day the Court has requested to serve as a testifying person with regards to several matters before the Court. It is my understanding that she will be contacted telephonically and, along with myself, conferenced together at the hearing.

I hereby request of the Court to contact Mrs. Levenstein via written instrument sent through U.S. Mail the exact time and date of the Court hearing. Furthermore, to avoid confusion on her part, that the time be listed as "Eastern Standard Time" (EST) since she is located in Connecticut. In addition, if the Court has not already done so, to re-setup the call with the date/time with the contact person here at Fort Dix, who is Counselor Cortello as previously indicated.

Finally, I request of the Court to order that Fort Dix staff provide me with the ability to make the necessary legal calls to Mrs. Levenstein for coordination purposes related to her serving as the witness. These calls to be made after 6:00 pm (EST) from a telephone that is both secure and unrecorded, and private to be able to conduct necessary pre-interview and interview information. Permission and instruction to be granted

AODENDUM

I hereby request of the Court of the Honorable Judge Cindy Jorgensen the ability of the defendant Anthony P. Lowenstein to coordinate additional witnesses besides Ms. Victoria deMier Lowenstein, who will corroborate testimony on my part. The important matter is that I be allowed to contact via telephone my previous Court appointed Attorney, Mr. William Calloway of Tucson, Arizona. That I be allowed to contact him using the same on-recorded, private telephone to contact Ms. Lowenstein for the purposes of discussing testimonial issues related to the case at hand.

Such permission to be granted via Judicial Motion and order to be sent to my attention at Fort Dix Federal Correctional Institution.

Sincerely,

Anthony P. Lowenstein
